

TEXTILE RECOVERY
#ClothesTheLoopNY

NYS Textile Recovery Campaign Kickoff

America Recycles Day Saturday, November 15, 2014

- Do you know that the average person throws away 70 lbs of clothing and other textiles per year? That's 1.4 billion pounds in New York State! The market value of those discarded textiles is estimated at over \$200 million and has the potential to create over 9,000 new jobs across NYS.
- Do you know textiles include more than just clothing? (clothing, shoes, sneakers, purses, belts, blankets, sheets, towels, draperies and stuffed animals)

Make A Difference---Join In This State-wide Effort on or around November 15th!

Don't throw your unwanted textiles away. Bring them *here* to our textile collection shed where they can be reused / recycled!
