

# Town of Clayton

## Supervisors Summary of the 2016 Adopted Budget and Changes

**In accordance with Town Law §107 and on behalf of the Town Board I present the 2016 Adopted Budget.**

The **Total Budget** for 2016 for the Town of Clayton is \$9,894,123 as compared to \$11,388,722 in 2015 a reduction of \$1,494,599. We will continue to have significant management and financial involvement in the capital construction of the Transient Docking Facility, Frink Riverwalk Amenities and Overlooks, (\$728,434) along with the construction of the Route 12 Sewer Project, (\$4,865,899). Both of these improvements have millions of dollars of Federal and State grant funding. We have budgeted to handle the local share through long term bonding as is customary for projects of these types.

The **Total Town Taxable Value** is \$707,636,483 which is an increase from \$704,943,360 or \$2,693,123, a .38% increase. This is a slightly larger increase than last year's .33%, but the trend showing increased values reflects growth and new construction. These numbers are still subject to change as assessment actions are settled in the next few months. It should be noted that the value of the 1000 Island Harbor Hotel is only reflected in the special districts and not in the Town Wide Taxable Value due to the PILOT agreement agreed to by all the taxing entities. We have and will continue to receive positive financial impact in our community with year round operation of this significant destination venue.

The **Total Number of Exemptions** for the Town of Clayton in 2015 final roll is 725, up 3 from 722, with a total exemption value of \$71,515,975 or 9.20% of the total assessed value of \$779,351,350 for our township. This represents an increase of \$2,287,549 or .26%. This increase in exempt properties means that the tax levy is distributed among a smaller number of parcel owners. This is a growing trend that will have a negative impact on a majority of the taxpayers in our community. The Board is monitoring this very closely with the Assessor's Office and Community organizations, however if the law allows for an exemption the assessor has no ability to refuse a properly made application.

Our **Tax Levy**, or the amount in property taxes raised for Town operations, is \$1,171,863, up from \$1,124,398 or \$47,465 from 2015. \$15,000 of this increase is the Board decision to raise the funding level for the Ambulance District. The other noteworthy increases are employee contractual increases and health benefits.

Our **Town Tax Rate** is \$1.38 per \$1,000 of assessed value for 2016. This is an increase of \$.02 or 1.47% from the 2015 town wide rate. This means that a home assessed for \$100,000 would have a Town tax bill of \$138 or an additional \$2.00.

**Tax Cap** – The Town Board voted to override the tax cap in 2016 however we will not have to use the override and will be under the cap by \$1,200, which will make the tax payers eligible for a rebate from the State. We don't have the specific details of the States "Tax Cap Freeze" and the "Government Efficiency Plan" and what result Clayton Taxpayers may receive. We were recently notified that the State did approve our submitted Government Efficiency Plan that sited energy efficiencies and court consolidations.

**Sales Tax and Fund Balance Utilization** - The Town Board chose to be very conservative when budgeting for 2016. In light of the slowly improving economic times we budgeted Sales Tax at \$1,660,900. We utilized \$253,943 in Fund Balance which is down from \$312,974 or \$59,031 less than 2015. Our goal is to retain 15% to 20% of the budget in each fund as a reasonable balance. This amount also provides us the best score when the NYS Office of the State Comptroller presents its Fiscal Stress Rating for each of the municipalities in the State. We have provided a separate page in this packet that identifies the estimates for each Fund.

The **General Fund** deals with most Town services, except for Highway and Special Districts (such as Reed Point, Heritage Heights and Depauville Sewer districts and Heritage Heights and Depauville lighting districts). The General Fund appropriations are up \$80,428 from 2015 (2015 was \$2,152,317 and the 2016 Adopted is \$2,232,745). The increase is due primarily to increases in health insurance and contractual salary increases. These are fixed expenses that we have little or no control over.

The proposed **Highway Budget** is at \$1,578,200 which is down from \$1,613,700. This is \$35,500 lower than in 2015. This decrease is attributed to a significant reduction in the retirement line. We have increased the equipment line by \$37,000 to \$87,000.

**Reed Point Sewer** will remain the same at \$600 per EDU and **Heritage Heights Sewer** will increase by \$ 10.00 from \$875 to \$885 which is the result of the outside user charge increase directly passed through from the Village of Clayton. The Depauville Sewer will return to its \$400 per EDU following the billing change implemented between 2014/2015.

The **Heritage Heights Lighting District** appropriation will decrease by \$500 to \$1,500 and the **Depauville Lighting District** appropriation will also decrease by \$500 to \$6,000. Only expenditures for power bills are made out of these funds. The unprecedented increase in 2014's power cost depleted the available cash and fund balance and put these districts in significant fiscal stress. We have contracted with a vendor that has provided us with a contractually stable rate for 36 months.

**Elected Officials Salaries** - For 2016, the salary for the newly elected full time **Supervisor** will increase to \$40,000 from \$28,500 and **Town Board Members** at a salary of \$3,040 each, which has remained the same for the last five years.

The salary for the two **Town Justices** remained the same, at \$12,250 each for 2016. The **Town Clerk**'s salary was increased to \$44,000 from \$42,700 and the **Highway Superintendent**'s will remain the same at \$52,000 for the newly elected Superintendent.

The Town will continue its support for the **Clayton Chamber of Commerce**, **Depauville Free Library and Community Center** and **Hawn Library**, the **Thousand Islands Performing Arts Fund**, **Thousand Islands Museum**, **Jefferson Volunteer Transportation Center**, the **Joint Youth Commission**, and our local **Thousand Islands Youth Hockey**, **Clayton Figure Skating Club**, **Thousand Islands Varsity Hockey** and **Paynter Senior Center**.

**The Thousand Islands Emergency Rescue Service (TIERS) will be partially subsidized by the Ambulance District as compared to the Fire Districts budget which totally funds the emergency Fire and Rescue aspects of both the Clayton and Depauville Fire Departments. We consider both Fire and EMS as critical public safety entities that need strong public as well as private support for the outstanding service the paid staff and volunteer members provide our community.**

The Board has worked diligently on this budget to make sure that our Town is providing quality services in the most efficient and affordable manner for the Taxpayers.

As I end my tenure years as your Town Supervisor our team leaves a history of significant improvements to the Clayton Community, the Towns assets and the Town's day to day operations. I would ask each of you to reflect on where you and your life/employment/businesses were in 2007? Has it changed in complexity and requirements? I think many things have changed in Clayton during the last 8 years.

### **Clayton is the most complex and largest taxable valued town in Jefferson County**

Our NYS year-end audited financial position in 2006 was \$8,819,266 and for the year ending in 2014 it was \$20,762,962, an \$11,943,696 improvement or 135% increase. This speaks volumes to our financial management and long term stability.

- There was practically nothing going on in 2007, we had not even removed/remediated Frink yet and now we have the premier destination **1000 Island Harbor Hotel** in our region and the soon to be completed **Frink Riverwalk** and the **Transient Docking Facility**. These improvements and other additions to Clayton will have decades of positive impact. Remember the time and resources the Town/Village and CLDC took to bring this to fruition
- We completed the 3.2 million dollar **Opera House Renovation**, that has brought tens of thousands of **new visitors** to our Community, at no cost to the local tax payers,
- We applied individually and in partnership for 42 grants and received 31 with a value of **just under 4 million dollars**
- We increased staffing in Building Code Enforcement, Zoning/Planning, Supervisors and Justice Court Departments to meet the Community, legal and operational needs.
- We successfully transitioned a number of Department Heads while continuing to provide quality, affordable services to the public
- We implemented the “Affordable Care Act” and the associated Health Insurance mandates have consumed a significant amount of time and resources. We redefined how we provided health insurance from a single provider for all staff to two plans, one for bargaining and one for non-bargaining employees which has saved thousands of dollars. This is in addition to staying on top of other state and federal mandates
- We investigated and created multiple districts (Route 12 Sewer, Bartlett Point sewer/water, Route 12 E sewer, Wind, etc.) to provide services to the public

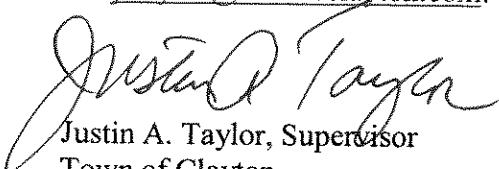

- We redefined our evaluation of property insurance to insure adequate coverage and protection
- We increased maintenance and improvements of town-owned buildings (Depauville Library, Grindstone Schoolhouse, Recreation Park/Pool, Joint Highway Garage, Opera House, etc.)
- We implemented updated contracts and the billing process has become more formalized
- We established MOUs, contracts and agreements with other organizations and agencies to protect the Town
- We negotiated County wide Multi-Year Snow and Ice Contract and Shared Services Agreements
- We maintained a 100% equalization rate
- We enhanced Web and Facebook presence
- We coordinated IT/Network improvements and implementation across multiple departments
- We coordinated the installation of Fiber Optic Internet and phone systems at Town locations
- We utilized shared services with projects such as Heritage Heights and Depauville Sewer, shared Assessor and solar installation initiative
- We complied with State Mandated Tax Cap and Tax Cap Freeze, as well as complied with Government Efficiency Reporting
- We implemented a “Comprehensive Financial Policy” which incorporates and replaces any financial management policies previously adopted by the Town and reflects changes in laws and generally accepted accounting principles. Adhering to these policies will help to ensure that we maximize our revenues, minimize our expenditures, preserve the safety of our public funds, and maintain a strong position in the financial community
- We implemented a revised “Employee Handbook” to clearly articulate the Town policies and expectation to all our bargaining, non-bargaining employees, appointed and elected officials as well as job descriptions for staff. The Handbook also provides policies to insure compliance with current state and federal requirements
- We completed the Depauville Library/Community Center addition
- We established strong relationships with the Village, CLDC, Chamber of Commerce, surrounding Towns, County, State and Federal Officials and Agencies

**These items were done with the sole expectation and desire to improve the Clayton Community for our families, taxpayers and visitors for generations to come**

Items that I suggest the Town continue to improve upon:

- Multi Year Financial Planning
- Formalize the Capital Improvement Plan
- Comprehensive Strategic Plan
- Complete the Comprehensive IT, Security and Disaster Recovery Plan

If you have any questions please feel free to contact me at 315-686-3512, ext. 20 or at [jataylor@townofclayton.com](mailto:jataylor@townofclayton.com).
