

Depauville Sewer District  
Depauville, New York 13632

Board Meeting

9 A. M.

November 5, 2015

Members Present: Jasper Wilkie, Robert Haver, Larry Gerrard, Lynn Schnauber, Bill Sherman, and Keitha Haas

Meeting was called to order 9:00; Jasper handed out Financial reports for review.

*Replacement valves have been done on the distribution box*

*DEC had 13 things to be corrected; such as mowing, locking pump station, changing valves, raking beds, pump station has a wooden fence around them, and other miner things. All has been completed.*

*Bach has replaced the pump by Jaspers, this has been done two or three times in the last 3 years?*

*Jasper would like to have the engineer core test the beds so we could skim off the top of the beds as they are growing green grass and etc. in a weeks' time , 2 or 3 inches may get rid of the seeds and green growth on 2,3,&4 beds. Depending on how much this may cost, if too expensive, do one bed per year.*

*Stone house had a sewer back up, has been repaired.*

*Next meeting January7, 2016*

Adjourned 9:25
