Board Meeting

9 A. M.

January 7, 2016

Members Present: Jasper Wilkie, Robert Haver, Lynn Schnauber, Bill Sherman, and Keitha Haas

Members Absent: Larry Gerrard, Robert Cantwell

Meeting was called to order 9:10; Jasper handed out financial reports for Oct. and Nov. to review.

*Replacement valves have been done on the distribution box*

*DEC had 13 things to be corrected; such as mowing, locking pump station, changing valves, raking beds, pump station has a wooden fence around them, and other miner things. All has been completed.*

*Jasper would like to have the engineer core test the beds so we could skim off the top of the beds as they are growing green grass and etc. in a weeks' time , 2 or 3 inches may get rid of the seeds and green growth on 2,3,&4 beds. Depending on how much this may cost, if too expensive, do one bed per year.*

*Bill Sherman to ask the Engineer about the above.*

*Hazelwood has our big trailer mount generator and will have it repaired by Feb.*

*Next meeting March 3, 2016*

Adjourned 9:25
