Or can you tell who our voices, when you go to do the transcripts?

- Alicia Dewey

04:24 - 04:26

I'll know who it has some keeping notes.

- Alicia Dewey

04:26 - 04:28

- Lancepeterson

05:14 - 05:19

Ok, motion carried then, Of course, we wish Nicole the best of course.

- Lancepeterson

05:21 - 05:23

On to the ...

- Lancepeterson

05:23 - 05:28

EPF Resolution, everybody got a chance to look at that.

- Lancepeterson

05:28 - 05:32

We need a motion to adopt the resolution to introduce it.

- Mary Zovistoski

05:33 - 05:35

I'll introduce the resolution.

- Allen D Heberling

05:36 - 05:36

I'll second.

- Lancepeterson

05:38 - 05:39

Very.

- Lancepeterson

05:39 - 05:39

Good.

- Lancepeterson

05:41 - 05:43

So, well, I'm gonna go around the table.

- Lancepeterson

05:43 - 05:44

Alan!

- Lancepeterson

05:45 - 05:46

Are you in favor.

- Allen

05:46 - 05:47

Yes.

- Lancepeterson

05:47 - 05:48

Donna?

- Donna

05:48 - 05:49

Yes.

- Lancepeterson

05:50 - 05:50

Mary?

- Mary Zovistoski

05:51 - 05:52

Yes.

- Lancepeterson

05:52 - 05:53

Ken?

- Ken

05:53 - 05:54

Yes.

- Lancepeterson

05:55 - 05:56

Lance, yes.

- Lancepeterson

05:59 - 06:02

Very good, Thank you for anything else we have to do with that one, Alicia.

- Alicia Dewey

06:03 - 06:09

No, but you may want to do the engineering agreement, add on now, because it's the same grant.

- Lancepeterson

06:09 - 06:10

I will do that.

- Lancepeterson

06:10 - 06:20

And that's what it is, the engineering agreement with, Rob and Fourth Coast that, you know, and Joe, he also got the opportunity to look that looked at over and Joe was comfortable with it.

- Lancepeterson

06:20 - 06:20

I.

- Lancepeterson

06:20 - 06:21

Thought, it.

- Lancepeterson

06:21 - 06:21

Was an order.

- Lancepeterson

06:23 - 06:23

I'm sorry.

- Ken

06:25 - 06:26

Yeah.

- Lancepeterson

06:26 - 06:26

He did.

- Lancepeterson

06:26 - 06:38

Joe, thought, everything was an order with that, So, we need a motion, motion for me to approve for me to sign that agreement, if we can get a motion of that, please.

- Ken

06:39 - 06:40

I'll make that motion, Lance.

- Allen D Heberling

06:41 - 06:42

I'll second.

- Lancepeterson

06:43 - 06:46

Thank you, Thank you, Kevin and Allen, all in favor.

- Donna

06:46 - 06:47

Aye.

- Lancepeterson

06:49 - 06:49

Opposed.

- Lancepeterson

06:51 - 06:52

Motion carried, thank you.

- Lancepeterson

06:55 - 07:00

The pilot, the IDA, let her know, you know, approval to send a letter as presented.

- Lancepeterson

07:00 - 07:01

I know, that's kind of the same thing again.

- Lancepeterson

07:01 - 07:07

The IDA they kind of negotiate all these things, and it goes through our attorney kind Of the same.

- Lancepeterson

07:07 - 07:07

The.

- Lancepeterson

07:07 - 07:08

Same deal.

- Lancepeterson

07:08 - 07:12

That happened with the, with the solar project up on Route 12 there.

- Ken

07:12 - 07:12

You know.

- Lancepeterson

07:13 - 07:14

Everything goes through the ...

- Lancepeterson

07:14 - 07:16

Don, Alexandra, they approve it, they negotiate it.

- Lancepeterson

07:16 - 07:20

They run it through our attorney, Joe, looks at, over, make sure everything's in order.

- Lancepeterson

07:20 - 07:24

And then they pass it onto the board for approval.

- Lancepeterson

07:24 - 07:30

So basically, this is approval to send the letter as presented, and let them go to work on that.

- Lancepeterson

07:30 - 07:33

If we could get a motion on, that that would be great.

- Mary Zovistoski

07:35 - 07:35

I'll make that motion.

- Mary Zovistoski

07:37 - 07:38

Sorry, Allen.

- Mary Zovistoski

07:38 - 07:38

I beat ya.

- Lancepeterson

07:41 - 07:41

All in.

- Lancepeterson

07:41 - 07:42

Favor.

- Lancepeterson

07:45 - 07:48

Oppose, motion carried.

- Lancepeterson

07:48 - 07:49

Thank you for that.

- Lancepeterson

07:49 - 07:53

Um, organizational budget's.

- Lancepeterson

07:53 - 07:53

Alicia?

- Alicia Dewey

07:57 - 07:58

Yes.

- Alicia Dewey

07:58 - 08:06

You just wanted to share the results of our request to the organizations that we help financially support for their budgets.

- Alicia Dewey

08:06 - 08:09

So we put those on the drive, so I think you were just going to.

- Alicia Dewey

08:09 - 08:09

Reference that.

- Alicia Dewey

08:10 - 08:11

That's why they were there.

- Lancepeterson

08:11 - 08:13

Did everybody get a thank you, Alicia?

- Lancepeterson

08:13 - 08:14

That's right.

- Lancepeterson

08:14 - 08:21

Did everybody get a chance to look over the budgets to all the, you know, the, basically, non for-profit entities that we support.

- Lancepeterson

08:21 - 08:23

I think we've, we've got back from the Depauville.

- Lancepeterson

08:23 - 08:27

The library, we just received the one from the Chamber.

- Lancepeterson

08:27 - 08:30

Today, I laid eyes with TIERS.

- Lancepeterson

08:30 - 08:32

I believe we got it from them.

- Lancepeterson

08:32 - 08:37

I think we're waiting for TIPAF, and I believe we received one other waiting for one another.

- Alicia Dewey

08:39 - 08:42

TIPAF, gave us their 2018 audit.

- Lancepeterson

08:42 - 08:43

Right.

- Alicia Dewey

08:43 - 08:45

Which is not a budget.

- Lancepeterson

08:45 - 08:45

Correct.

- Alicia Dewey

08:45 - 08:48

Or for 19 or 20.

- Alicia Dewey

08:49 - 08:50

Fiscal years.

- Alicia Dewey

08:54 - 08:56

A chamber and painter center.

- Lancepeterson

08:56 - 08:57

That is correct.

- Lancepeterson

08:57 - 08:58

Thank you for that.

- Lancepeterson

08:58 - 08:59

I know there's another one.

- Lancepeterson

09:00 - 09:02

Most of them, you know, most of my, you know, just myself.

- Lancepeterson

09:04 - 09:06

Anybody else can add anything to this?

- Lancepeterson

09:06 - 09:08

It's pretty much cut and dried, and pretty clear.

- Lancepeterson

09:09 - 09:10

I do have the, You know, myself.

- Lancepeterson

09:10 - 09:18

I do have some questions on the, on the Chamber budget a little bit, but, you know, we can go from there.

- Lancepeterson

09:18 - 09:23

If anybody else has any, get them to me or get them to Alicia and we'll make a formal request.

- Lancepeterson

09:24 - 09:25

To the Chamber.

- Lancepeterson

09:25 - 09:27

Why's everybody laughing?

- Alicia Dewey

09:28 - 09:29

I'm sorry.

- Alicia Dewey

09:30 - 09:32

Jimmy has a friend in.

- Lancepeterson

09:35 - 09:36

But if anybody, And.

- Lancepeterson

09:36 - 09:36

We'll know.

- Lancepeterson

09:37 - 09:38

If you have any formal request.

- Lancepeterson

09:38 - 09:39

We'll get.

- Lancepeterson

09:39 - 09:40

It to us, any questions.

- Lancepeterson

09:40 - 09:41

We'll make a formal request in the chamber.

- Lancepeterson

09:41 - 09:48

I know, I've got a couple of questions that I would like to, though I'd like to get answered, but not only to the Chamber, but any of the entities.

- Lancepeterson

09:48 - 09:51

If you have any questions, get them to us, and so we can reach out to them.

- Lancepeterson

09:52 - 09:58

With a formal question, we get documentation on return to their budgets and so we can continue to fund them properly going forward.

- Lancepeterson

09:58 - 10:03

Ok, Jimmy, I'm going to tell you, right now, you gotta call goofing off or you're out.

- Lancepeterson

10:03 - 10:03

I.

- Lancepeterson

10:08 - 10:08

Can't see you.

- Lancepeterson

10:08 - 10:09

Jimmy, what are you doing?

- Lancepeterson

10:12 - 10:12

He's muted.

- Jimmy

10:13 - 10:15

I got a friend here.

- Jimmy

10:16 - 10:18

Wondering what I'm doing right now.

- Mary Zovistoski

10:19 - 10:20

Focus.

- Jimmy

10:22 - 10:23

...

- Mary Zovistoski

10:23 - 10:24

...

- Jimmy

10:25 - 10:26

...

- Lancepeterson

10:26 - 10:27

- Lancepeterson

10:28 - 10:29

So, anyways, no.

- Lancepeterson

10:30 - 10:30

Now.

- Lancepeterson

10:30 - 10:32

Now, folks, we got a little more work to do here.

- Lancepeterson

10:34 - 10:42

Clearly, we've been kicking this around and, you know, trying to get answers from all the powers that be we've reached, though.

- Lancepeterson

10:42 - 10:45

I've reached out, We've reached out to many, as you can see.

- Lancepeterson

10:45 - 10:46

With the, with the e-mails.

- Lancepeterson

10:47 - 10:52

That Alicia sent out today, We've looked at NYCOM, we've, I've reached out to Seth Belt at the governor's office.

- Lancepeterson

10:52 - 10:53

I didn't get a response today.

- Lancepeterson

10:53 - 10:58

We've talked to Joe Russell and it just goes on and on.

It, you know, we've talked to the County And you know, the bottom line is what's best for the employees right now in the township of clayton in the citizens.

- Lancepeterson

11:07 - 11:12

At least at this point, and I'm just going to talk, and then I'm going to let everybody weigh in.

- Lancepeterson

11:14 - 11:20

Clearly, we're gonna, we're gonna keep essential employees that we have to do right now.

- Lancepeterson

11:20 - 11:26

We don't feel that the highway department at this moment is essential buildings and grounds.

- Lancepeterson

11:26 - 11:31

We believe there is, or essential people that there are four we have to keep out at this time.

- Lancepeterson

11:31 - 11:47

Five, actually, five, four of them being employees, and the administration, As far as the Administration office, I believe we're going to keep a couple on there.

- Lancepeterson

11:47 - 11:59

Also, and again, we have to be careful about mentioning names or anything like that, Though the plan is here, is to at least the way I feel about this.

- Lancepeterson

11:59 - 12:02

They're laid off until June first, OK?

- Lancepeterson

12:02 - 12:04

Everybody is coming back to work.

- Lancepeterson

12:04 - 12:05

This is a temporary layoff.

- Lancepeterson

12:05 - 12:08

They will come back to work no later than June first unless.

- Lancepeterson

12:08 - 12:08

The Governor says they can't.

- Lancepeterson

12:08 - 12:20

Orr something catastrophic happens, if, for instance, if you know may 15th the governor changes, then we can take a look at any that time.

- Lancepeterson

12:21 - 12:31

If, if, if Steve comes to me as the highway superintendent in, it says, Lance I need is, I just have to have two people and I'll tell you why, we will bring that to the board.

- Lancepeterson

12:31 - 12:35

Will bring that to the board and see if we can accommodate Steve's request.

- Lancepeterson

12:35 - 12:41

But, at the moment, we just don't feel, you know, the highway department is essential at the moment.

- Lancepeterson

12:41 - 12:48

Fortunately, for all our departments, and this is really hats off to all of our departments, they've always stay up on everything.

- Lancepeterson

12:48 - 12:51

So it's not like to have any catch up to do, they do a good job.

- Lancepeterson

12:51 - 12:52

They do a good job.

- Lancepeterson

12:52 - 12:54

And they keep up to speed on something like, this happens.

- Lancepeterson

12:54 - 12:57

It's a catastrophic, there's like their way behind, to begin with.

- Lancepeterson

12:57 - 13:00

And that's, again, hats off to the leadership and our employees.

- Lancepeterson

13:00 - 13:06

So with that being said, that's how I view this, that's how I view.

- Lancepeterson

13:06 - 13:07

This and.

- Lancepeterson

13:07 - 13:12

And, again, I will stop there and then let the rest of the board weigh in.

- Mary Zovistoski

13:16 - 13:25

It is a good thing for them to have a layoff if they're going to take it seriously, stay home and take care of themselves and their family?

- Mary Zovistoski

13:25 - 13:37

I mean that's why we're doing this for the safety and welfare of our employees because we want everybody to come through this safely and then come back to work and pay full speed, and, and, you know, we value our employees.

- Mary Zovistoski

13:38 - 13:41

So that that is, in a nutshell why we're doing this.

- Mary Zovistoski

13:41 - 13:49

And, of course it does help in the budget, but that's secondary to the health and welfare of our employees, their families and the community, in general.

- Ken

13:53 - 13:53

Yeah.

- Ken

13:53 - 13:54

I would agree.

- Ken

13:54 - 14:07

And I think, it's probably best for the employees, because, you know, we're still in the middle of this thing, and it's really difficult for them to do their job to begin with, you know, and not come into close proximity to each other.

- Ken

14:07 - 14:15

So, I think that, this plan that we've got is about the best way forward, because, I think, number one, it looks out for the men, more than anything.

- Ken

14:15 - 14:17

Which is, probably, everybody's big concern here.

- Ken

14:21 - 14:21

Donna?

- Donna

14:22 - 14:24

Yep, No, I agree, I agree.

- Donna

14:24 - 14:26

I mean, I talk to you earlier today to Kenny.

- Donna

14:26 - 14:27

You and I discussed it too.

- Donna

14:27 - 14:33

And I just know, you gotta put safety first above everything else, and, But like Mary said, they have to take a serious.

- Donna

14:33 - 14:34

You.

- Donna

14:34 - 14:39

Know, you can't be tromping all over the north country doing this and that you know, keep your butts home keep.

- Donna

14:39 - 14:43

You know, do your projects around the house or whatever, but just, you know, keep.

- Lancepeterson

14:43 - 14:43

Your ***.

- Donna

14:43 - 14:45

Home and keep yourself safe until June first.

- Allen D Heberling

14:48 - 14:52

That's yet another unfortunate consequence of this pandemic.

- Lancepeterson

14:57 - 15:02

So, with that being said, I don't know if we, I'm sorry Steve and Jimmy.

- Lancepeterson

15:02 - 15:05

Did you have, did you have anything you'd like to add to this?

- Lancepeterson

15:05 - 15:06

You know, it effects your departments directly?

- Lancepeterson

15:07 - 15:10

We're not trying to hamstring anybody again?

- Lancepeterson

15:10 - 15:20

I think the way it's set up with the state unemployment and the federal and the federal funding for individuals that are laid up, I don't think any of our employees are going to be financially hurt.

- Lancepeterson

15:20 - 15:26

We are gonna, we're gonna pay for their health care and they can reimburse them when they come back.

- Lancepeterson

15:26 - 15:29

Either, one-time payment or will stretch it out in the payments.

- Lancepeterson

15:29 - 15:31

Whenever they can afford, we'll work with them on that.

- Lancepeterson

15:31 - 15:36

So, I don't believe they're going to be lacking any financial, Any financial burden.

- Lancepeterson

15:36 - 15:37

I don't.

- Lancepeterson

15:37 - 15:38

Think, you know.

- Lancepeterson

15:38 - 15:41

Obviously, their healthcare, there's going to be in place the length of stay safe.

- Lancepeterson

15:41 - 15:53

And hopefully, when they get back, there'll be all charged up and we'll just, we'll progress and, again, you know it at least my target.

- Lancepeterson

15:53 - 15:55

Is to first everybody's back full steam if the.

- Lancepeterson

15:56 - 15:58

Governor's sees it to clear that we can do that earlier.

- Lancepeterson

15:58 - 16:01

Or something arises Jimmy, that you just have to have more people.

- Lancepeterson

16:01 - 16:04

Or at least, it falls to you Also, in the administration.

- Ken

16:04 - 16:05

Of.

- Lancepeterson

16:05 - 16:05

This?

- Lancepeterson

16:05 - 16:06

Then, we will take just one.

- steve dorr

16:12 - 16:13

I just want to Chime in.

- steve dorr

16:13 - 16:14

Here a little bit.

- steve dorr

16:14 - 16:18

Make sure that there's not going to be any repercussions if I'm out doing something.

- steve dorr

16:19 - 16:23

Sweeping or, you know, I talk to you about that Lance.

- steve dorr

16:23 - 16:26

There's some stuff that I probably shouldn't be doing.

- steve dorr

16:26 - 16:30

It's just, there's no repercussions, union wise, or anything like that.

- Lancepeterson

16:31 - 16:34

We asked Alicia, we asked that question, You can go ahead.

- Alicia Dewey

16:35 - 16:46

I was just gonna say that actually is a conversation related to the bargaining agreement, and it's probably not appropriate for a public meeting, but we can talk.

- Alicia Dewey

16:46 - 16:51

I know that Lance probably fill you in on that already, but we can talk about that again offline if you'd like.

- steve dorr

16:52 - 16:53

I'm available.

- Steve dorr

16:53 - 16:54

Anytime.

- steve dorr

16:54 - 16:56

If something happens, if there's deer and whatever.

- steve dorr

16:56 - 16:58

I'm still able to do that just.

- steve dorr

17:01 - 17:03

It falls down at or near the road or whatever.

- steve dorr

17:03 - 17:04

You know, it's still.

- steve dorr

17:06 - 17:07

Now, let's go.

- steve dorr

17:07 - 17:11

I guess it is for the safety of the men in everything, and hopefully nobody gets it.

- Lancepeterson

17:12 - 17:13

Right, nobody.

- steve dorr

17:13 - 17:17

Gets the virus, just hope.

- **steve dorr**

17:17 - 17:17

Thank you.

- **Lancepeterson**

17:19 - 17:19

Thanks Steve.

- **Jimmy**

17:23 - 17:23

Just for everybody.

- **Jimmy**

17:23 - 17:25

I don't have anything else to add.

- **Jimmy**

17:26 - 17:31

Just for Steve, if you need any help doing anything, he can give me a call.

- **steve dorr**

17:33 - 17:34

Then we did.

- **steve dorr**

17:34 - 17:38

We took the dozer and do little things like that, and I think that's OK.

- **steve dorr**

17:39 - 17:39

Isn't it?

- steve dorr

17:41 - 17:42

Help each other out one way or another.

- Lancepeterson

17:43 - 17:45

Certainly, I think, so I don't see any issue with that.

- Lancepeterson

17:45 - 17:50

That's what you've done in the past Steve, so I don't see how that would be an issue at this point.

- Steve dorr

17:51 - 17:51

On a.

- steve dorr

17:51 - 17:52

On a separate note.

- steve dorr

17:54 - 17:58

I was notified by Albany again, today, and they can go get more sandbags if we need them.

- steve dorr

17:58 - 17:59

And I will do that.

- steve dorr

18:00 - 18:04

Just, there's still quite a few down there, so I don't want to get too many down there.

- steve dorr

18:05 - 18:07

But there is more sandbags available to.

- Lancepeterson

18:08 - 18:08

Hey, Steve.

- Lancepeterson

18:08 - 18:11

Did you, did anybody bring you up to speed, or point you, in the right direction?

- Lancepeterson

18:11 - 18:12

For the bigger ones, That feedbags?

- Lancepeterson

18:12 - 18:19

So that, when I did call Seth Belt today from the Governor's office, and again, I haven't heard back from them.

- Lancepeterson

18:19 - 18:21

That is another question I posed to him.

- Lancepeterson

18:21 - 18:25

And he told me, he would chase them down and up, and let me know where they are and get them to us.

- Lancepeterson

18:25 - 18:28

So or at least let us know where we can get them.

- Lancepeterson

18:28 - 18:30

Steve so I will relay that to what I hear from them.

- steve dorr

18:31 - 18:32

All right, cool.

- Lancepeterson

18:32 - 18:33

Ok.

- steve dorr

18:33 - 18:34

Thanks.

- Lancepeterson

18:35 - 18:35

Yeah, you're welcome.

- Lancepeterson

18:35 - 18:36

Thank you, Steven.

- Lancepeterson

18:36 - 18:43

And again, obviously, you know, I didn't mention this, or, you know, and I'm sure everybody knows for the elected officials, you continue to get paid as normal.

- Lancepeterson

18:43 - 18:46

Everything goes along with the elected officials.

- Lancepeterson

18:46 - 18:54

So with that being said, folks, I think that's going to go up, This is going to take, effect of, you don't take effect Friday.

- Lancepeterson

18:54 - 19:00

So basically, you know, Monday, these as over as of Saturday, Sunday, Monday, whenever the week starts is.

- Lancepeterson

19:00 - 19:06

You, know, there'll be some official laid off and employees from the township and Clayton.

- Lancepeterson

19:06 - 19:14

And I don't wanna be redundant, because, I know, I can do that, But the employees have to know, without a shadow of a doubt.

- Lancepeterson

19:14 - 19:16

This is a temporary layoff.

- Lancepeterson

19:16 - 19:22

And they're coming back no later than June First, provided there's not something catastrophic and earlier than that.

- Lancepeterson

19:23 - 19:25

Depending on, you know, the Governor stance.

- Lancepeterson

19:25 - 19:26

Ok.

- steve dorr

19:27 - 19:30

Lance is, do you want me to notify the guys that something that.

- Lancepeterson

19:32 - 19:34

Yeah, you can.

- Lancepeterson

19:34 - 19:35

Alicia said.

- Alicia Dewey

19:36 - 19:39

Steve can definitely notify them that they'll be getting letters in the mail.

- Alicia Dewey

19:39 - 19:40

They'll go out in the mail tomorrow.

- Alicia Dewey

19:42 - 20:02

And it'll basically give them the information they need at all relate to them, that this is temporary, and that we will continue to pay the Health Benefits so that the re-assured that it also will provide the proof that they need for unemployment to show that they are with out work currently.

- steve dorr

20:03 - 20:06

So, this is a Saturday that's in the pay period.

- Alicia Dewey

20:07 - 20:11

Saturday is the end of the pay period, but this is effective the 24th.

- Alicia Dewey

20:12 - 20:13

That's my understanding.

- Alicia Dewey

20:14 - 20:14

Right?

- Alicia Dewey

20:15 - 20:18

Which probably shouldn't make a difference, because they wouldn't have been working on Saturday anyway.

- Lancepeterson

20:20 - 20:20

Correct.

- steve dorr

20:21 - 20:21

Ok.

- Lancepeterson

20:22 - 20:23

Correct.

- steve dorr

20:23 - 20:23

Thanks again.

- Lancepeterson

20:24 - 20:25

I'm sorry.

- Lancepeterson

20:27 - 20:28

Did anybody have anything else?

- Allen D Heberling

20:29 - 20:30

Just quick question.

- Allen D Heberling

20:31 - 20:33

I was looking at The Town website?

- Allen D Heberling

20:34 - 20:37

And did we have this announced on the Town website?

- Alicia Dewey

20:39 - 20:40

It was under.

- Mary Zovistoski

20:40 - 20:40

The legal.

- Alicia Dewey

20:40 - 20:44

Notices where we normally put our meeting notices, Allan.

- Allen D Heberling

20:48 - 20:51

I'm looking for it. I didn't see it there.

- Alicia Dewey

20:53 - 21:01

It's there. When we notified the public that the April eighth meeting was going to be canceled, we gave the information for the April 22nd meeting.

- Allen D Heberling

21:02 - 21:03

Right, OK.

- Allen D Heberling

21:04 - 21:15

Yeah, for some reason, I don't know what happened, to refresh the cached version of that website just updated now.

- Allen D Heberling

21:15 - 21:15

Thank you.

- Lancepeterson

21:18 - 21:19

Come on Allen, and pick up your game.

- Allen D Heberling

21:22 - 21:23

Ouch.

- Lancepeterson

21:26 - 21:26

I thought you.

- Allen D Heberling

21:26 - 21:27

Didn't have the Internet?

- Lancepeterson

21:28 - 21:29

Who?

- Allen D Heberling

21:29 - 21:30

You.

- Lancepeterson

21:30 - 21:34

Yeah, well, I had to climb the pole tonight to get a hooked up.

- Lancepeterson

21:34 - 21:34

You know, it's like Hooterville out here.

- Lancepeterson

21:36 - 21:45

Hello, Megan submitted the request to address the board: Non agenda items, do we have anybody.

- MEGAN BADOUR

21:45 - 21:47

I do not have anybody.

- Lancepeterson

21:47 - 21:48

Ok, very good.

- Lancepeterson

21:49 - 21:52

Does anyone have anything else to add any concerns?

- Lancepeterson

21:52 - 21:53

I think we're very clear here.

- Lancepeterson

21:54 - 22:01

Our employees are laid off officially as of tomorrow night and, and again, we, you know, again, they're temporarily laid up.

- Lancepeterson

22:03 - 22:05

There we have, I don't think we can make it any more clear.

- Lancepeterson

22:06 - 22:07

They shouldn't have no worries.

- Lancepeterson

22:07 - 22:15

No concerns, we are looking after their best interests them, and again, any, any drastic changes will keep everybody up to speed.

- Mary Zovistoski

22:16 - 22:19

Ok.

- Ken

22:19 - 22:19

Good..

- Lancepeterson

22:20 - 22:22

All right, Motion to adjourn.

- Ken

22:23 - 22:25

I will make that motion.

- Mary Zovistoski

22:25 - 22:28

I'll second

- Lancepeterson

22:28 - 22:28

All in favor.

- Donna

22:29 - 22:29

I.

- Lancepeterson

22:30 - 22:30

Alright.

- Lancepeterson

22:30 - 22:38

Very good, thanks to everybody for joining us and let us continue to stay in touch and and move forward with us and everybody stay healthy, everybody.

- Lancepeterson

22:38 - 22:39

Please stay healthy.

- Alicia Dewey

22:40 - 22:46

Lance I just want to re-affirm our next official meeting will be May 13th correct or not.

- Lancepeterson

22:46 - 22:46

Yes.

- Alicia Dewey

22:47 - 22:47

Ok?

- Lancepeterson

22:48 - 22:49

I'm sorry, that is correct, Alicia.

- Lancepeterson

22:49 - 22:51

That is correct, yep.

- Ken

22:53 - 22:53

So it could be the.

- Ken

22:53 - 22:54

Normal.

- Ken

22:54 - 22:54

Meeting.

- Lancepeterson

22:55 - 22:57

Yes, it will be the second Wednesday of May.

- Lancepeterson

22:57 - 22:58

Yep.

- Lancepeterson

23:01 - 23:16

I mean it'll probably be Probably be up, you get another teleconference, I'm assuming, and but you know, well, you know, play it by ear, maybe things will be a little bit better by that, so with that being said, thanks, everybody, and have a good evening.

- Allen D Heberling

23:19 - 23:20

Ok.

- Jimmy

23:22 - 23:23

Everybody.

- Ken

23:24 - 23:24

Ok?
