## Zoning Board of Appeals and Planning Board Workshop Session

### Agenda

April 4, 2019  
7:00 p.m.

- I. Village Sign Law
- II. Town Solar Law
- III. Other Topics (as determined by the participants)

**NOTE:** This meeting will utilize the workshop format. Therefore, it is important that we learn from each other and build on our knowledge as we address the topics noted above. We are all equals in this endeavor and all contributions are important as we strive to collectively address the various zoning and planning topics. I believe Richard has provided you with revised copies of the sign and solar laws. Please review them in preparation for our meeting on the 4<sup>th</sup> of April. Thank you.
